## FROM THE PRINCIPAL'S DESK

It gives me immense pleasure to welcome the budding and enthusiastic students to this institution of higher learning which is emerging as the college with potential for improvement and excellence. This college made a modest beginning just a decade back in 2008 from a two-room rented building of Govt. Middle School, Nowshera. Now the college operates from a beautiful and spacious building located at Darshan Nagar, Nowshera.

There is no dearth of commitment and enthusiasm among the teaching and non-teaching faculty of this college to fulfil the academic calendar in the best possible manner. Right from its inception, the mission of the college has not only been empowering youth with holistic education but also been striving hard to impart extra competence to transform them to be self-reliant and self-sufficient for the bright future of modern India.

Last but not least, I, in the capacity of being the head of this academic institution, want to issue few words of advice and cautions to young students. It is a fact that the college education can be a big turnaround in your life provided you work hard with clarity of purpose in mind and commitment to make

judicious use of your valuable time. The three years of college education can lay a firm foundation on which you can write your stories of success and honour. So, the students are advised to make an optimum use of time in this college and its resources including the library. They must prioritize their studies and also spare time to take part in extra-curricular activities. They must adhere to the basic mantras of success such as hard work, discipline, punctuality and obedience and must refrain themselves from indulging in any type of anti-institutional or anti-social activity. I assure them all a very encouraging and rich academic environment in this college.

I am very confident that with the diligence, hard work and rigorous efforts put in by our learned and efficient faculty, the college will emerge as one of the best in the state and will impart students the power of knowledge, entrepreneurship skills, character, confidence, competence, compassion and sportsmanship. I wish that students would utilise the academic strength of the college in right direction which will go a long way to shape the all-round development and personality during their stay in this institution.

**With best Wishes and Blessings for the upcoming Session**

**DR. SURINDER KUMAR SHARMA**

## **COLLEGE PROFILE**

**“Live as if you were to die tomorrow. Learn as if you were to live forever”.**

**Mahatma Gandhi.**

Govt. Degree College, Nowshera is located in Nowshera town. Nowshera is a sub-district falling under the jurisdiction of district Rajouri. The main town is located on the bank of the Manawar River just 2 miles inwards from the Taayin Bridge on Jammu-Poonch national highway. Nowshera has a vast area spreading over 1352 sq. kms. It is a nature bound beautiful area in lower Himalyan ranges and having plenty of small forests especially among the Line of Control with Pak-occupied Kashmir. The Mangla Mata Temple, Mangla Devi Fort, Fort of Darhal – QilaDarhal and the Chhati-Pathshahi Central Gurudwara of Nonial are the main tourist attractions of this town. Besides, this town has a very high literacy rate of 79 per cent that is much higher than the national average of 73 p.c. The male literacy is 82 p.c. while female literacy nearly parallels it at 76 p.c.

### **• ESTABLISHMENT OF THE COLLEGE**

Government Degree College Nowshera is one among the other four newly established degree colleges located in this sub-district having its own well-equipped infrastructural facilities. Opening of a degree college in Nowshera was a long pending demand of the people of Nowshera since they have a deep inclination towards imparting education to their children and wards.

It was in 2008 when Govt. Degree College, Nowshera was established under Prime Minister Reconstruction Programme and started functioning from the premises of the Govt. Middle School, Nowshera with a strength of 233 students. So far ten batches of students have passed out with their graduation degrees from this college. In fact, the college is playing an important role to promote higher education among the students of Nowshera, Qila Darhal, Sunderbani and parts of Kalakote Tehsils especially the girl students. It is pertinent to mention here that the enrolment of the girl students surpasses the number of male-students in all semesters.

In the session 2016-17, the college shifted to its new campus built at Darshan Nagar. With this, the science stream also started for the students of this area. From the session 2018-19, Geography and Sanskrit subject have been introduced. The student enrolment has now been raised to 870 during the session 2020-21 that is further expected to rise in the upcoming session. The college has already demanded two more subjects, Philosophy and Physical Education this year to provide more options for the students to choose their subject combinations.

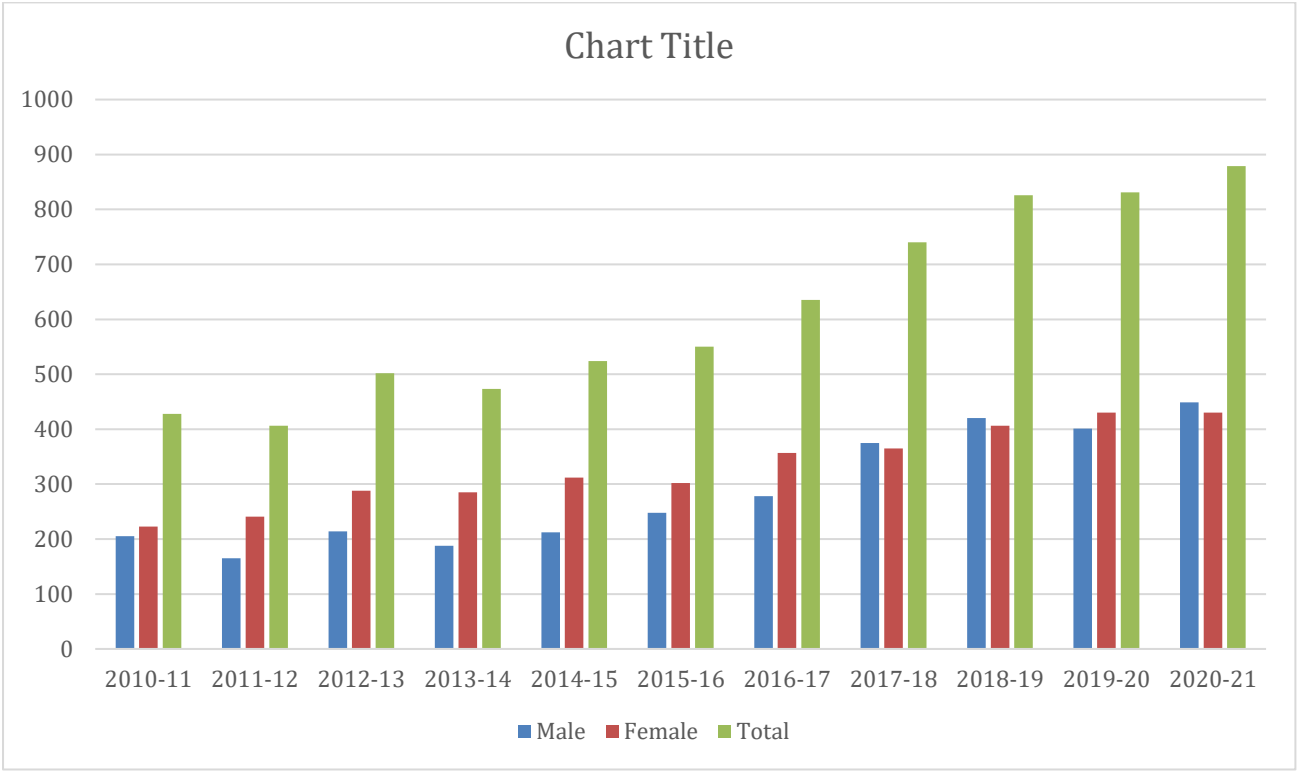

## • STUDENTS STRENGTH OVER THE LAST 11 SESSIONS

As mentioned earlier, GDC, Nowshera started functioning from the academic session, 2008-2009 from the premises of a Middle School with a meagre strength of 233 students. ## COLLEGE INFRASTRUCTURE

### • NEW CAMPUS AND COLLEGE BUILDING

From 2008 to 2016, the college operated from a make-shift arrangement. During the session, 2016-17, the college was shifted and started working from its newly build campus at Darshan Nagar, Nowshera. It is a vast campus spread over 100 canals of land having full scope for its further expansion as a premier institute of higher learning. It has a big playground enough to be used both as a cricket as well as football ground. Besides, Badminton, Kho-Kho and Volleyball grounds are already prepared and in use. A multi-purpose hall had also been demanded by the college authorities.

The main building is also quite spacious to adequately accommodate both Arts and Science streams as of now, but the college has also approached the higher authorities for a separate classroom complex as Arts Block. The present building has 7 big and spacious classrooms, 5 well-equipped laboratories for Physics, Chemistry, Botany, Zoology and Computer Sciences, a smart-class room besides a conference hall and a separate Girls Common Room. The work of the college canteen is going on and The DPRs are also submitted for Girls Hostel and Multipurpose hall. Within the present building, a vast air-conditioned Library is functioning with adequate number of books and having a seating capacity for more than 100 students at once.

### • COLLEGE LIBRARY

The college has a library to facilitate students to have access to appropriate study material for extra reading. To keep the students updated with current affairs and general knowledge, the college provides a viable and regular collection of magazines and daily newspapers. Every year each subject is enriched with new arrivals/books as per the need and recommendation of the concerned subject teacher. At present of wide variety of books numbering more than 5577 covering all subjects are in the library and the subject wise detail is as under:

Besides, the college library acquires more books every session thereby further adding to its already vibrant knowledge pool. The books are issued for both table reading as well as for home-keeping for 7 days on the production of the library-borrower-cards duly attested by Principal issued to every student at the beginning of the academic session by the librarian. As of now, the efforts are on to digitalise the library in order to provide access to various e-resources. Wi-fi connectivity is already under process to be provided in the library and college is registered on N-LIST and INFLIBNET portals along with Swayam to provide free access to various e-resources both to the faculty and students from current session. The students are, however, required to take notice of and need to observe the following library rules to take benefit of all these facilities:

- The college library is open for students and staff from 9 a.m. to 3 p.m. on all working days.
- Students are allowed to get issued only one book at a time which has to be returned within 7 days.
- Complete silence is to be observed in the college library.
- Students are directed to handle books properly. Anybody found misusing the library books/journals/magazines will be punished under rules.
- If a borrowed book is lost or spoiled, the students responsible for it will be liable to replace it or pay the cost of the book.

- Students appearing for 2<sup>nd</sup>, 4<sup>th</sup> and 6<sup>th</sup> Semester examinations shall surrender library card before getting Roll Number Slips/Admit Cards.

## • DEPARTMENT OF PHYSICAL EDUCATION AND SPORTS

The college has a Department of Physical Education and Sports headed by the Physical Training Instructor, Dr. Akhil Khajuria. The aim of the department is to promote among the students the qualities of sportsmanship and to tap the nascent talent lying among the students of this area. The department has adequate sports material for meeting the true requirements of various sports activities. The students are continuously encouraged to participate in various inter- collegiate as well as national tournaments/competitions. Special emphasis is given to overall development of personality through various practice sessions held in the college before participation in actual event. The college has produced many students who brought laurels by winning various sports competitions. College spared no stone unturned to train the college youth for sports activities through the dedicated team of staff members working for the cause.

## • RED RIBBON CLUB

The College has also re-constituted Red Ribbon Club under Prof. Pooja Devi as Nodal Officer. Red Ribbon Club functions in collaboration with J&K AIDS Prevention & Control Society, Department of Health and Medical Education for the dissemination of information regarding the prevention of HIV and AIDS through various AIDS awareness programme instituted by the Health Department within as well as outside the college premises. This shall equip the students in particular and the society in general about the relevant information to keep them insulated from this deadly disease.

## - BOTANICAL GARDEN**

Keeping in view the presence of pristine flora in this area, the Department of Botany has built a botanical garden in the college campus to grow all such local plant, shrubs and herbs varieties. The Worthy Principal of the college along with other staff members planted number of saplings in the college premises. Mr. Ramesh Chander Sharma, an environment activist who also built a nursery at village Siot, is kind enough to provide different varieties to be grown in this garden. A variety of plants belonging to different species are growing in the garden and there will be addition of more in near future.

- **NCC**

The National Cadet Corps in India is a voluntary organization that involves students in adventurous activities. The college has also applied for the sanctioning of a senior NCC Wing in this college.

## ACTIVITIES ORGANISED BY VARIOUS DEPARTMENTS DURING THE SESSION 2020-21.

### Department of Botany

Department of Botany, GDC Nowshera organized various online activities to engage the student community constructively during the lockdown period. The quiz competitions witnessed a remarkable enthusiasm amongst the students of different institutions. These brainstorming activities shall prove helpful for the students to improve their thinking/mental skills and preparation for the future competitive examinations.

- i. **Department of Botany in collaboration with EVS Department started Pit Composting in College Campus on 16/12/2020.**

Department of Botany in collaboration with EVS Department of the college started PIT COMPOSTING in the college campus. For this purpose, 2 pits of dimensions 7x6x4 cu feet were dug with the help of a JCB and 1 trolley of cow dung manure was procured from Military Dairy Farm, Nowshera.

One of the pits was then filled with alternate layers of bio-degradable waste (weeds, grasses, bushes, fallen leaves etc.) and cow dung manure. The main aim behind adding the cow dung manure was to speed up the process of decomposition as it is rich in microbes that help in decomposition. When the pit was filled up to a considerable size, water was sprinkled over the pit material and it was then covered with a water-proof tarpaulin (polythene sheet) to prevent the seepage of water and maintain the temperature during the winters. Sprinkling

of water shall be done at regular intervals (once or twice in a week). It is expected that the waste material shall get converted completely into compost within a year or so.
