

PRESS RELEASE

As a part of series of events to celebrate International Women's Day IQAC of GDC Nowshera in collaboration with literary committee organized a plantation drive on 11th of March 2022. While speaking on the occasion Principal of the college Dr. Surinder Kumar raised awareness among the students about the role of Women in protection and conservation of trees. He further said that women are taking up every field and making their contribution in society and they are primary food producers and food processors in the world. he also laid emphasis on associations in myth and literature between women, flowers and gardens. To celebrate the theme of the day, the students planted various saplings of decorative plants and herbal plants. The faculty members & students of the college participated in the plantation drive with great enthusiasm and Zeal.
