Press Release

NSS unit Of Govt. Degree College Nowshera organized a Plantation, Cleanliness and drug de-addiction drive at the adopted village Hanjana Thakra village of Nowshera block under the convenorship of programme officer Prof.Inam Ul Haq and the able guidance of worthy Principal Dr.Surinder Kumar. They were split into two teams, one for plantation and the others went for house to house for drug de-addiction drive. The participants were highly enthusiastic to make it a big success. In this initiative Panchyat Ghar was adopted by NSS for plantation. The volunteers cleaned the bushes and planted saplings, and watered the plants. Plants were also distributed among villagers. Whereas the other team spent quality time with the villagers and aware them on drug and substance abuse.

Meanwhile, NSS unit was also accompanied by local Panch Mrs.Dolly Devi (ward no.2) and Mrs.Ritu Bala(ward no.5) While speaking on the occasion Principal of the college advised the volunteers to form a living contact with the community and should done "something positive so that the life of the villagers might be raised to a higher material and moral level".

Moreover principal also advised students to disseminate information among villagers regarding various Govt. welfare schemes.

NSS volunteers took pledge to awaken the villagers to their responsibilities and develop in them the confidence, to tackle their common problems with energy, enthusiasm and in a co-operative spirit, based on mutual aid and self-reliance. The villagers appreciated the efforts by NSS volunteers. The program created a great stir among the villagers.

Earlier COVID-19 vaccination second dose drive was also carried for teaching and non-teaching staff in college campus.

PRESS RELEASE

"GDC Nowshera in collaboration with Forest Division Nowshera organized Plantation Drive"

Considering the manifold benefits of trees such as they release Oxygen, absorb harmful gases provide us food & shelter and maintain ecological balance , GDC Nowshera conducts tree plantation drives every year during the rainy season. Over the past few years, a large number of trees have been planted inside the college campus.

Today first phase of plantation drive was carried out at GDC Nowshera in collaboration with Forest Division Nowshera. The plantation drive was conducted under scaling up "Green Jammu and Kashmir" initiative of the Government.

In the first phase, around 350 tree saplings including Bauhinia, Bottle-Brush, Jamun, Loquat, Guava, Pinus etc. were planted. More saplings will be planted in the subsequent phase of plantation drive.

Dr. Surinder Kumar, Principal of the college, Mr. S.D. Samyal, ADC Nowshera, Mr. Amit Verma ASP Nowshera and Mr. Sudesh, Range Officer Forest Division Nowshera were amongst the prominent personalities who planted the saplings. The teaching and non teaching staff of the college also participated in the plantation drive.

who planted the saplings. The teaching and non teaching staff of the college also participated in the plantation drive.

PRESS RELEASE

NSS Unit of Govt. Degree College Nowshera along with Deptt. of Sociology organized a Plantation Drive on 7th of August 2021 under the convener ship of Prof. Inam Ul Haq and Prof.Rajat Bhardwaj in the college campus. The NSS came up with the plantation drive to instill the values of nurturing nature with teamwork and importance of the environment. The session was inaugurated with the humble Presence of Principal GDC Nowshera Dr. Surinder Kumar and Sh. Vinod Sharma a social activist.

The NSS Volunteers planted different saplings of trees including many medicinal plants in the hope for betterment of the society. The event was conducted by following all the SOPs regarding COVID-19. Speaking on the event, Principal of college Dr. Surinder Kumar while appreciating the volunteers for their efforts and teamwork that no matter the situation is, they will always come together for the betterment of the society with the resources they have. He also said that, tree plantation drives are not just something that should be done, instead, it is a necessity and the urgent need of the hour. Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply.

Press Release

Government Degree College, Nowshera in collaboration with J&K Forest Department, Division Nowshera organized a "Plantation Drive" in the college premises today on August 20, under the supervision of Dr. Surinder Kumar, Principal of this college. The Department of forest supplied the plant saplings including variety of plants such as Silver Oak, Ashoka Tree, Water Brush, Arjuna, Bail-Patri and many others. This was another plantation drive in series of such activities conducted in the college campus since last few months under the mission, 'Join Hands to Make Change Today'.

The teaching staff and non-teaching staff of the college along with the officials of the Forest Department planted these saplings. The Eco-Club of the college headed by Prof. Sanjay Kumar took the initiative under the mission 'Clean and Green' India to make the environment as well as college premises clean and green.

Speaking on the occasion, the Principal of the College emphasized on the need to protect and conserve the environment. He also laid emphasis on plantation as an important aspect of the community and vow that this initiative will go a long way to create awareness among the student community. He also thanked Mr. Sudesh Kumar, Range Officer, Forest Division, Nowshera and his staff who provided plants and actively participated in this initiative. They showed mutual commitment to carry forward this noble cause in future too.
