**Hon'ble Chief Minister of J&K state, Ms.Mehbooba Mufti along with Dy. Chief Minister, Dr.Nirmal Singh during Inaugural function of newly constructed Building of GDC, Nowshera**

**Mrs.PriyaSethi, MOS for Higher Education warmed welcomed by Nodal Principal & Principal GDC, Nowshera on eve of inauguration of the College Building.**

## *From The Principal's Desk*

I welcome you to all this great institution of higher learning and assure you of a nurturing and caring environment that will see all of you blossom into empowered and sensitive human being. Each and everyone of you will one day have to ascribe a meaning to your life.

We want that our students be imparted an all round education so that they become multidimensional rather than uni-dimensional. In my view, acquiring information is no longer the main focus of education; instead the main aim of education is to build the power of human mind and spirit.

We believe in providing our students an environment rich in knowledge and supportive for their extracurricular interests. We aim to evaluate our students on the basis of their physical, mental, social, emotional and intellectual development.

As Swami Vivekananda said, "Truth can be stated in a thousand different ways, yet each one can be true." Your education here, in this college and outside it, during your time here and long after you graduate, will help you find that truth. The true hallmark of that education would be one, "by which character is formed, strength of mind is increased, the intellect is expanded any by which one can stand on one's own feet."

So, seek out that education, discover that truth and remember to use it well.

## *Introduction*

### History

Nowshera is a sub-district falling under the jurisdiction of District Rajouri. The main town of Nowshera is located on the bank of the Manawer River just 2 miles inwards from the Taayin Bridge on Jammu-Poonch National Highway. Opening of a Government Degree College in Nowshera was a long pending demand of the people of Nowshera since the students of this area have to go either Rajouri or Jammu to avail the facility of Higher Education. It was in 2008 that Government Degree College, Nowshera was established under Prime Minister Reconstruction Programme. The college started functioning from the premises of the Govt. Middle School, Nowshera.

So far, six batches of students have passed out completing their Graduate Degrees from this college. In fact, the college is playing an important role to promote the cause of higher education among the students of Nowshera, Qila Darhal, Sunderbani and parts of Kalakote Tehsils, especially the girl students. It is pertinent to mention here that the enrolment and the pass-out ratio of the girl students surpass that of male students in all Parts and Semesters of the Bachelor of Arts (B.A.) and Science (B.Sc.) in this college.

From the session, 2016-17, the Science Courses with Computer Sciences and Mathematics have been started. This college is all set to start the teaching of Sanskrit from this academic session from its new campus. The Sanskrit was introduced as a new subject from the session 2016-17. With this, the student enrolment is expected to rise further up to one thousands. A highly qualified and trained Teaching Faculty is already in place (including 10 permanent Asstt. Professors) and 11 Lecturers engaged on Academic Arrangement. However, this number is likely to go up with the introduction of new subjects.

From the session 2016-17, the college has moved to its new campus. This new campus is located at Darshan Nagar at an elevated table land giving a full picturesque of Nowshera Town and its adjoining places. The new building has sufficient accommodation for both Arts and Science Streams. Along with six big and spacious classrooms, the new building has five well-equipped laboratories for Physics, Chemistry, Botany, Zoology and Computer Sciences. The College Building has a well-established Girls Common Room, a vast Library with sitting capacity of more than 300 students, one Smart Class Room and a vast playground. In the coming days, the college is looking forward to create an Indoor Stadium, Gymnasium Hall and an Auditorium to create additional facilities for the all-round development of their students. From the present session, the college has also got sanction for a senior NCC Wing in this college and the NSS is already functioning in this college along with a Red Ribbon Club.

## **TEACHING FACULTY**
