GDC Nowshera organises national level webinar on intellectual property rights

■ STATE TIMES NEWS

NOWSHERA: The Internal Quality Assurance Cell (IQAC), Govt. Degree College Nowshera conducted National Level Webinar entitled "Intellectual Property Rights". The webinar was presided over by Dr:Surinder Kumar, Principal, GDC, Nowshera and Coordinated by Prof. Joginder Singh, Coordinator IQAC and Head, department of Physics, GDC, Nowshera.

Dr. Surinder Kumar, Principal of GDC Nowshera introduced the theme and purpose of this event and formally welcomed Resource Persons, Prof. Ramesh Chandra Panda and Prof. Tariq Hussain Sheikh and appreciated the organising secretary Prof. Joginder Singhand all the faculty members for conducting this event.

Intellectual property rights are legal rights that provide creators protection for original works, inventions, or the appearance of products, artistic works, scientific developments, and so on.Intellectual property rights (IPRs) play a key role in every sector and have become the basis for crucial investment decisions. They are exclusive rights and therefore there is always a challenge to strike a balance between the interests of innovators and the interests of the society at large. Another important factor is having an adequate legal framework to protect the interests of innovators and inspire confidence that their intellectual property will be protected, in turn triggering further innovation.

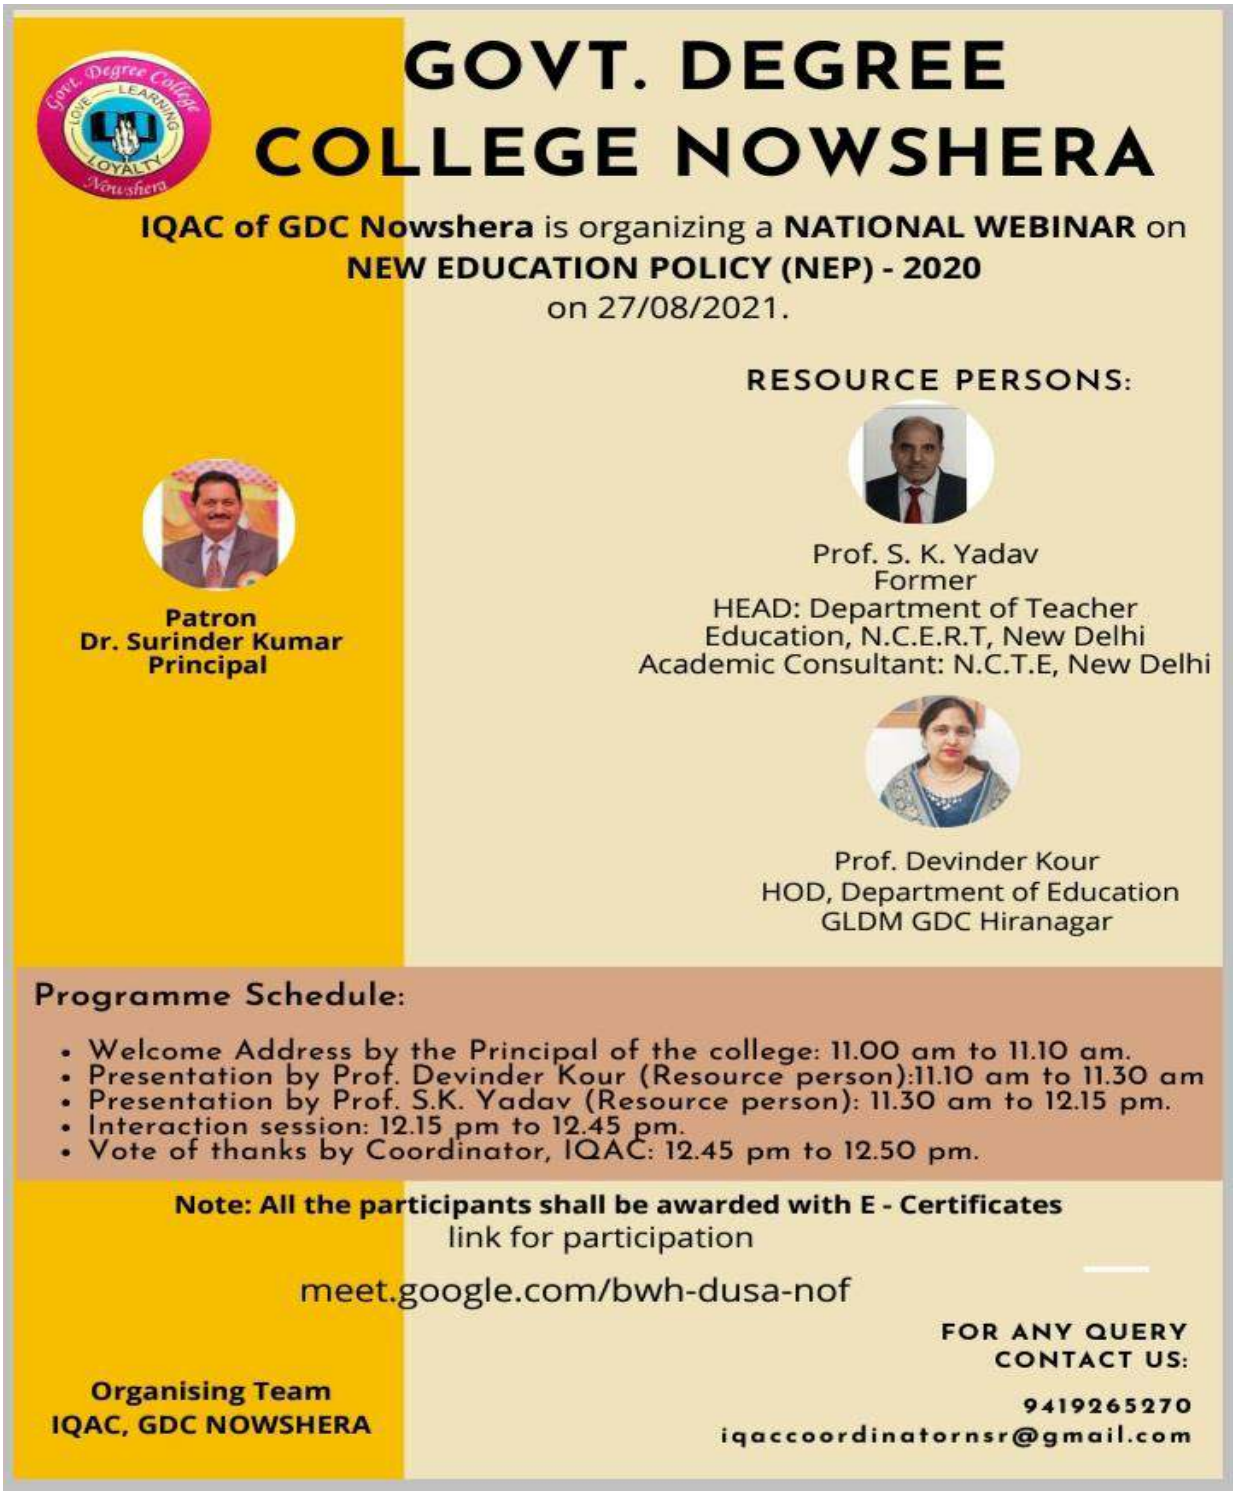

Prof. Ramesh Chandra Panda, Dean, Research & Development Cell, Synergy Institute of Engineering & Technology, Dhenkanal, Odisha explained in his elaborated presentation, the purpose of Intellectual property Rights in the context of Contemporary innovation in a new type of economy. He highlighted the number of specific issue and challenges to contemporary IPR systems and IP regimes will then be probed more in depth, such as the anti-common and IP assembly problem; the trade-off between incentives and transaction costs; and the impact of weak (e.g. open) IP regimes on dynamic competition and industry evolution, the impact of patent information (the disclosure effect) and the use of IPRs in business strategies.

Prof. Tariq Hussain Sheikh, Faculty, department of Computer Science, GDC Poonch, he elaborated in his presentation the scope of 3D printing Skull models and emphasised the practical possibilities for metal 3D printing of human skull and its potential scope in the field of biomedical surgeries. He also highlighted that 3D printing technology has progressed well, custommade metal 3D printed implants can be manufactured and adopt for skull rehabilitation by considering the the potential cost-effective materials.

The programme was concluded with formal vote of thanks proposed by Miss Madhu Bala, Department of English.

नौशहरा डिग्री कॉलेज में मनाया गया अंतरराष्ट्रीय लोकतंत्र दिवस

नौशहरा।

आजादी का अमृत महोत्सव के उपलक्ष्य में 15 सितंबर को कॉलेज की एनएसएस यूनिट के सहयोग से एक भारत शिक्षा भारत कलश द्वारा शासकीय डिग्री कॉलेज नौशहरा में अंतरराष्ट्रीय लोकतंत्र दिवस मनाया गया। यह दुनिया भर में लोकतंत्र की स्थिति की समीक्षा करने, लोकतांत्रिक आंदोलनों को प्रोत्साहित करने और स्वतंत्रता, शांति और मानवाधिकारों को बढ़ावा देने का मौका है।यह पहली बार 2007 में संयुक्त राष्ट्र द्वारा स्थापित किया गया था और हर साल यह आयोजन एक अलग विषय के आसपास होता है। 2021 में, विषय भविष्य के संकटों का सामना करने में लोकतांत्रिक लचीलापन को मजबूत करना है। एनएसएस के स्वयंसेवकों ने प्रो. इनाम उल हक की अध्यक्षता में इस विशेष दिन को मनाने के लिए एक शैक्षिक कार्यशाला सह संगोष्ठी का आयोजन किया। इस अवसर पर बोलते हुए प्रो. जोगिंदर सिंह समन्वयक आईक्यूएसी ने कहा कि लोकतंत्र पूरी आबादी या राज्य के सभी पात्र सदस्यों द्वारा आम तौर पर निर्वाचित प्रतिनिधियों के माध्यम से सरकार की एक प्रणाली है। यह सरकार का सबसे प्रचलित रूप है, लेकिन चुनौतीपूर्ण भी है क्योंकि कई चर खेल में आते हैं। भारत में लोकतंत्र राजनीतिक समानता के सिद्धांत पर काम करता है। इसके अलावा, इसका अनिवार्य रूप से मतलब है कि सभी नागरिक कानून के समक्ष समान हैं। सबसे उल्लेखनीय, धर्म, जाति, पंथ, नस्ल, संप्रदाय आदि के आधार पर कोई भेदभाव नहीं है। इसलिए, प्रत्येक भारतीय नागरिक को समान राजनीतिक अधिकार प्राप्त हैं। संकाय सदस्यों और एनएसएस स्वयंसेवकों ने भी अपने विचार प्रस्तुत किए और अंत में प्रो. हर्षल शर्मा ने धन्यवाद प्रस्ताव प्रस्तुत किया। पूरे कार्यक्रम का आयोजन कॉलेज के योग्य प्रचार्य डॉ. सुरिंदर कुमार के संरक्षण में किया गया था।

GDC Nowshera in collaboration with District Police Rajouri organized a Seminar on the topic "GET HIGH ON LIFE, NOT ON DRUGS".

GDC Nowshera in collaboration with District Police Rajouri today organized a Seminar based on the theme **"Get High On Life, Not On Drugs"**. The main objective of organizing this event was to make the youngsters aware about the harmful effects of drugs. The students of the schools, colleges and universities across the country are becoming addictive to drug substances at an alarming rate which is threatening not only to their own future and lives but also affecting their families, societies and ultimately the Nation.

The programme started with the welcome address by Dr. Surinder Kumar, Principal of the College. He formally welcomed the Chief Guest, Ms. Sheema Nabi Qusba, SSP Rajouri and other Guests, Mr. Sukhdev Singh Samyal, ADC Nowshera; Mr. Amit Verma, ASP Nowshera, Dr. Chander Prakash, Resource Perso, Mr. Zakir Mirza, SDPO Nowshera, Mr. Pankaj Sharma, SHO Nowshera and Principals of the Higher Secondary Schools of Nowshera. In his welcome speech, Principal of the College stressed upon the various emotional, social and physical factors that lead to drug addiction and the side effects caused by the drugs on our physical and mental health. He also motivated the students to stay away from these substances. He said that the main aim of organizing such events is to spread awareness among the students and prevent the young generation from indulging in drug addiction. He further highlighted the role of these youngsters in spreading the message of **"Say no to drugs and Achieve success in life".**

The proceedings of the programme were conducted by Mr. Rakesh Choudhary, Lect. in GGHSS Nowshera. A large number of students and staff of the college and Higher Secondary Schools attended the programme in the smart class room of the college, keeping in view the COVID appropriate behaviour. Six students namely, Simranmeet Kour (NNP Hr. Secondary School); Suhani Gupta (GHSS Nowshera); Akash Kumar (TMP Hr. Sec.); Adil Manhas (GDC Nowshera); Chandandeep Choudhary (BHSS Nowshera) and Karanjeet Kour (Christ High

School) expressed their views about the various types of drugs, their harmful effects and illicit drug trafficking.

The Resource Person of the programme, Dr. Chander Prakash, delivered an elaborated lecture on the theme of the seminar. He talked in detail about the various terms related to drugs such as drug abuse, drug addiction and drug dependence. He also delibrated upon the various types of drugs such as depressents, hallucinogens and stimulants and the harmful effects posed by the consumption of these drugs. He also stressed upon the need to increase the will power to stay away from these substances and get out of the vicious cycle of drug addiction.

The program was carried forward with the address of Mr. Sukhdev Singh Samyal, ADC Nowshera who stressed upon the need to protect the youth of our country from the menace of drug abuse. He also urged the students to spread the message to their family, friends and the society at large.

Mr. Amit Verma, ASP Nowshera also shared his views regarding the theme. He revealed the statistical data projecting 10% urban and 11% rural students of the country as potent drug addicts. He motivated the students to stay away from drugs by narrating the story of a lead Engineer whose career as well as life was ruined because of drug addiction.

At last, Ms. Sheema Nabi Qusba, SSP Rajour; the Chief Guest for the Programme, addressed the audience. She talked in detail about the legal and illegal drugs and the various types of pressures that lead to drug addiction. She highlighted the role of teachers, friends, family, society, Police Department and Rehabilitation centres in assisting the victims to come out of the vicious cycle. She encouraged the students to stay away from the drugs and get involved in some constructive activities like Games & Sports, Yoga and Meditation.

At the end, felicitation of meritorious students was done by presenting momentos as a token of encouragement. The programme ended with a formal vote of thanks presented by Mr. Zakir Mirza, SDPO Nowshera.

Press Release

"Cyber Jagrookta Club" of GDC Nowshera in Collaboration with IQAC of GDC NSR organized Awareness lecture on Cyber Crime.

"**Cyber Jagrookta Club**" of GDC Nowshera in Collaboration with **IQAC** of GDC NSR organized awareness lecture on Cyber Crime on the topic "**Introduction to Cyber crime and safety**" on **3rd of Dec, 2021**. The main aim of the programme was to aware the students about the different cyber crime and how to protect ourselves from these Cyber crimes. The resource person of the programme was Mr. Amit Verma (ASP) Nowshera. A large number of students and faculty members from the college participated in the programme by following Covid appropriate behaviour. The programme started with a welcome address by the Principal of the college Dr. Surinder kr. Sharma. While speaking on the occasion, Principal of the college asked the students to stay away from cyber crimes and also asked the students to use the internet in a careful manner. After the welcome address, Resource person of the today's event Mr. Amit Verma (ASP Nowshera) spoke on the occasion and gave a detailed overview about the cyber crimes in day to day life. He talks about the different types of cyber crimes like identity theft, data theft, spreading of virus/spyware, pornography/child pornography etc.

He also explained how the computers, mobile phones or smart devices which help us in executing our day to day activities can become a threat and may pave way to cyber frauds. Smart devices and machines are those that can be programmed to carry out different functions. He also mentioned how significant it is to protect our personal data from sharing on various platforms. "The first step to protect a 'valuable' is to identify it. However unlike physical valuables like gold chain, cash or debit cards, it is very tough to recognise your 'digital valuables'. He also said that of all the factors that lies behind a cybercrime it is ultimately one's carelessness and ignorance that leads to such attacks. A cyber thief or a threat actor basically tries to exploit the user's vulnerability to obtain access to digital valuables by studying sensitive passwords or by sending malicious links which the user is asked to click. This eventually leads to malware installation in one's smart device and thereby a stalker gets access to the valuables.He also talked about the various sections of Cyber crime like Section 425 i.e Mischief, Section 379 i.e theft, Section 319 & 320 i.e cheating, Section 292 i.e sale of obscene material and so on.

He also insisted about the do's and don'ts in order to protect one self and others from cyber crimes. One should invest in good software utilities, ensure operating system being used is reliable and in good condition, should never leave open the laptops/mobiles which have all personal data. Downloading apps from authentic sites and using different passwords for accessing different platforms and changing it periodically can also help in keeping the digital valuables safe and secure. He also cautioned about being aware of all social engineering attempts made by people through social media or emails or chats. "These could be from malicious actors trying to gain access to digital valuables," he said. The proceedings of the programme were conducted by **Asstt. Prof. Mr. Rajat Bhardwaj** Convener of **Cyber Jagrookta Club** and Vote of thanks were presented by **Asstt. Prof. Joginder Singh, IQAC** Coordinator of the college.

"Cyber Jagrookta Club" of GDC Nowshera in Collaboration with Deptt. Of Computer Science organized Awareness lecture on Cyber Crime.

"Cyber Jagrookta Club "of GDC Nowshera in Collaboration with Deptt. of Computer Science organized awareness lecture on Cyber Crime on the topic "Online Cyber crime against Women" on 23rd Of May 2022.The main aim of the programme was to aware the students about the different cyber crime against Women and how to protect ourselves from these Cyber crimes. The resource person of the programme was Lect. Riya Kohli from Deptt. Of Computer science. A large number of students from the college participated in the programme. The programme started with a welcome address by the Coordinator of the Cyber Jagrookta Club Mr. Rajat Bhardwaj. While speaking on the occasion, He asked the students to stay away from cyber crimes and also asked the students to use the internet in a careful manner. After the welcome address, Resource person of the today's event Lect. Riya Kohli spoke on the occasion and gave a detailed overview about the cyber crimes against women in day to day life. She talks about the different types of cyber crimes like identity theft, data theft, spreading of virus/spyware, pornography/child pornography etc.

She also explained how the computers, mobile phones or smart devices which help us in executing our day to day activities can become a threat and may pave way to cyber frauds. Smart devices and machines are those that can be programmed to carry out different functions. She also mentioned how significant it is to protect our personal data from sharing on various platforms. "The first step to protect a 'valuable' is to identify it. However unlike physical valuables like gold chain, cash or debit cards, it is very tough to recognise your 'digital valuables'. She also said that of all the factors that lies behind a cybercrime it is ultimately one's carelessness and ignorance that leads to such attacks. A cyber thief or a threat actor basically tries to exploit the user's vulnerability to obtain access to digital valuables by studying sensitive passwords or by sending malicious links which the user is asked to click. This eventually leads to malware installation in one's smart device and thereby a stalker gets access to the valuables. She also talked about the various sections of Cyber crime like Section 425 i.e Mischief, Section 379 i.e theft, Section 319 & 320 i.e cheating, Section 292 i.e sale of obscene material and so on.

She also insisted about the do's and don'ts in order to protect one self and others from cyber crimes. One should invest in good software utilities, ensure operating system being used is reliable and in good condition, should never leave open the laptops/mobiles which have all personal data. Downloading apps from authentic sites and using different passwords for accessing different platforms and changing it periodically can also help in keeping the digital valuables safe and secure. She also cautioned girls students about being aware of all social engineering attempts made by people through social media or emails or chats. "These could be from malicious actors trying to gain access to digital valuables," She said. The proceedings of the programme were conducted by Asstt. Prof. Mr. Rajat Bhardwaj Convener of Cyber Jagrookta Club.

PRESS RELEASE

Department of Botany and Women Empowerment Cell of GDC Nowshera organized a 2-days Training Programme on "Cultivation technology of Oyster mushrooms (Dhingari)"

Now-a-days, Mushroom Cultivation is an emerging agribusiness; especially for the landless labourers and small farmers who have limited land. It is one of the most profitable cottage Industries that can be started with a low investment yielding considerable returns.
With an aim to train the college students, especially the girl students and the college staff for the process of mushroom cultivation, Department of Botany in collaboration with Women Empowerment Cell (WEC)of the college organized a 2-days Training Programme on "Cultivation technology of Oyster mushrooms (Dhingari)" w.e.f. 10th of Feb to 11th of Feb. Oyster mushroom was chosen for this purpose because the cultivation technology of this mushroom, especially compost making is very simple as compared to other mushrooms grown in this region. Moreover, this season is suitable for cultivation of oyster mushroom.
More than 30 students along with teaching and non-teaching staff of the college attended this Training Session. On the 1stday (10/02/22), Prof. Pooja Devi (HOD, Botany and Convener WEC) gave a detailed lecture on the Nutritional & Medicinal properties of mushrooms and the benefits of growing mushrooms at their homes. Further, she demonstrated the initial steps in the cultivation of Oyster Mushroom in which the wheat straw was soaked in water and left overnight.
On the 2ndday (11/02/22), the process of Spawning (addition of mushroom seeds to the wet straw) was demonstrated and the spawned substrate was filled in polythene bags (60cmx40cm). The mushroom seeds were added in layers alternating with wet straw. The polythene bags were then incubated in a semi-dark room on shelved racks (pre-fumigated with

2% formalin) for further growth of a cottony growth called Mycelium. After that, Fruiting shall commence in the mushroom bags.

These polybags shall be monitored on a regular basis for mycelial spread, pinhead formation and maturation of the oyster mushrooms.

At the end of the training programme, Dr. Surinder Kumar, Principal GDC Nowshera appreciated the efforts of Prof. Pooja Devi and Dr. Arajmand Frukh, faculty of Botany Department, and encouraged them to organize such activities in future also. He also motivated the students, especially girls for adopting mushroom cultivation as a part time business so that they can 'EARN WHILE LEARNING'.

"Cyber Jagrookta Club" of GDC Nowshera in Collaboration with Internal quality assurance cell organized online webinar on Cyber Crime.

"Cyber Jagrookta Club" of GDC Nowshera in Collaboration with IQAC organized online webinar on Cyber Crime on the topic "Safety in online financial transactions" at 11:30 am to Commemorate Azadi ka Amrut Mahotsav. The main aim of the webinar was to aware the students about the different cyber crimes and how to protect ourselves from these Cyber crimes. The resource person of the programme was Mr. Tariq Husain Shah Asstt. Prof. GDC Poonch. A large number of students and faculty members from the different colleges participated in the programme through online mode. The programme started with the welcome address by the Principal of the college Dr. Surinder kr. Sharma. While speaking on the occasion, Principal of the college asked the students to stay away from cyber crimes and also asked the students to use the internet in a careful manner. After the welcome address, Resource person of the event Mr. Tariq Husain Shah Asstt. Prof. Computer Sciences ,GDC Poonch spoke on the occasion and gave a detailed Power Point Presentation about the online transactions and cyber crimes in day to day life. He talked about the different types of cyber crimes like identity theft, data theft, spreading of virus/spyware, pornography/child pornography etc.

He also explained how the computers, mobile phones or smart devices which help us in executing our day to day activities can become a threat and may pave way to cyber frauds. He also mentioned how significant it is to protect our personal data from sharing on various platforms. “The first step to protect a ‘valuable’ is to identify it. However unlike physical valuables like gold chain, cash or debit cards, it is very tough to recognise your 'digital valuables'. He also said that of all the factors that lies behind a cybercrime is ultimately one’s carelessness and ignorance that leads to such attacks.

He also insisted about the do's and don'ts in order to protect oneself and others from online transactions and cyber crimes. One should invest in good software utilities, ensure operating system being used is reliable and in good condition, should never leave open the laptops/mobiles which have all personal data. Downloading apps from authentic sites and using different passwords for accessing different platforms and changing it periodically can also help in keeping the digital valuables safe and secure. He also cautioned about being aware of all social engineering attempts made by people through social media or emails or chats. “These could be from malicious actors trying to gain access to digital valuables,” he said.

The proceedings of the programme were conducted by Asstt. Prof. Mr. Rajat Bhardwaj, Convener of Cyber Jagrookta Club and Vote of thanks were presented by Asstt. Prof. Joginder Singh, IQAC Coordinator of the college.

GDC Nowshera organized online activities to celebrate National Girl Child Day, 2022 under the aegis of AZADI KA AMRIT MAHOTSAVA.

National Girl Child Day is celebrated across the country on 24th of January every year in order to spread awareness and empower girls. With an aim to spread awareness among the college girls about the inequalities faced by girls in Indian Society and to promote awareness about the rights of girl child, the NSS Unit and Women Empowerment Cell of GDC Nowshera organized two online activities viz., an Essay Writing contest on the theme "DECLINING CHILD SEX RATIO" and a Webinar based on the theme "EMPOWERING GIRLS FOR A BETTER TOMORROW". These activities were conducted as a part of commemoration of AZADI KA AMRIT MAHOTSAVA, CELEBRATING 75 YEARS OF INDEPENDENCE.

A large number of students expressed their views and submitted their Essay compositions on the provided e-mail address. Top 3 positions were secured by Kirandeep Kour (B.Sc. Sem I), Minakshi Devi (B.Sc. Sem I) and Nasreen Akhter (B.A. Sem V), respectively. The toppers shall be provided e-certificates.

The Webinar on the theme "EMPOWERING GIRLS FOR A BETTER TOMORROW" started with the Inaugral Speech by Dr. Surinder Kumar Sharma, Principal of the college. In his address, worthy Principal deliberated upon the inequalities faced by girls since ancient times. He stressed upon the need to change the mindset of the society so that girls can be empowered. He motivated the girl students to be aware of their legal rights and raise their voice to gain a position equal to men in the society. Then, Prof. Pooja Devi, Convener, Women Empowerment Cell enlightened the participants about the History, the objectives of celebration of this day and the laws and facilities available in India for the empowerment of girls. She also talked about the importance of Female Education, their Health and proper Nutrition. She also motivated the students to raise their voice against any form of Sexual harassment being faced by them and report the case to Internal Complaint Committee Against Sexual Harassment (ICCASH) of the college. The Webinar was carried forward with the speech by Mrs. Poonam Sharma, a social reformer. She discussed in detail about the various awareness campaigns being run for the empowerment of girl child such as SAVE THE GIRL CHILD, BETI BACHAO, BETI PADHAO, SAMAGRA SHIKSHA SUKANYA SAMRIDHI YOJANA etc. She also talked about the role played by Savitribhai Phule, a social reformer, who worked for the improvement of the position of women in India. Ms. Jagmohan Kour and MS. Dolly Sharma, the Social activists, also expressed their views on the topic of the webinar.

The entire programme was conducted under the guidance and supervision of Dr. Surinder Kumar, Principal GDC Nowshera and the proceedings were conducted by Prof. Inam Ul Haq, NSS Programme Officer. The webinar concluded with a formal Vote of Thanks by Prof. Pooja Devi, HOD, Botany.

NSS Unit of GDC Nowshera organised an online seminar on account of National Youth Day on Wednesday to commemorate "Azadi Ka Amrut Mahatsov". In the seminar, the NSS Programme officer Prof.Inam Ul Haq acquainted the students that since 1985 Swami Vivekananda''s birthday on January 12 is always celebrated as National Youth Day. This day is celebrated because the Indian government felt that the philosophy and teachings of Swami Vivekananda could be a source of great inspiration for the youth of India. Vivekananda was instrumental in introducing the philosophies of 'vedanta' and 'yoga' to the western world. Volunteers of the NSS said Swami Vivekanda was extremely patriotic and considered a hero for his contributions to the philosophies of this country. His views and nationalistic theories influenced many prominent leaders and thinkers of India. Mahatma Gandhi believed that he restored Hinduism to its former state of glory and Sri Aurobindo believed that he awoke India on a spiritual level. The volunteers prepared charts and wrote slogans given by Vivekananda. Principal Dr.Surinder Kumar appreciated the efforts put in by the NSS unit in celebrating the day. He urged the youth to follow the teachings of Swami ji to be successful in life. He urged to uphold and respect the Indian culture and promote our value system of selfless service as dreamt by Swami Vivekananda.

Press Release

7th December, 2021, NSS unit of Govt. Degree College Nowshera organized an awareness programme on Non- Communicable diseases on 07th dec.2021. The programme was organized keeping in view the rapidly rising of Non- Communicable diseases with the trend shifting towards the younger population.

Speaking on the occasion Principal of the college Dr. Surinder Kumar highlightened the behavioral interventions for Non- Communicable Diseases (NCD) would profit the most, if initiated at an early stage. Major risk factors of NCDs are changing life style and behavior pattern which are largely due to practices adopted in younger age. Students' awareness about NCDs and their risk factors is an important part of population based prevention strategy.

Dr. Chander Parkash (MO), Sub. District Hospital Nowshera was the resource person on this occasion who shared valuable information on Non- Communicable diseases. Speaking on the occasion he discussed various types of non communicable disease and risk factors such as stress, diet patterns, changing life style, alcohol and substance abuse, smoking, physical inactivity, behavioral disorders, environmental factors etc. associated with Non- Communicable diseases. He further said that the burden of this disease is immense, due to their chronic nature.NCDs lead to chronic expenditure on health and, thereby, our economic conditions. He stressed that a high prevalence of risk factors for NCDs is found among youngsters. Awareness programs about healthy lifestyle practices; periodic screening of students at regular intervals with appropriate advice are warranted to control the rising epidemic of NCDs.He also advocated that most common causes of NCDs are metabolic and behavioral risk factors and can be largely preventable by several available means and the role of Primary health care centers in community to detect NCDs at early stages.

A large number of NSS Volunteers and other students along with the faculty members attended the programme. The whole event was organized by Prof. Inam Ul Haq NSS programme officer and the vote of thanks was presented by Prof. Sanjay Kumar.

NSS Unit of Govt.Degree College Nowshera in collaboration with Department of Sociology organized a symposium on "Changing Role of Women in Modern era" on 29th October 2021 to commemorate "Azadi Ki Amrut Mahotsav".

While speaking on the occasion Principal of the college Dr.Surinder Kumar said that, women are becoming more noticeable and prominent in the professional as well as the public spheres. No longer considered as a financial liability, they have become independent and are the earning members of the family. The future of Indian women is bright and flourishing. The society is opening all the doors for them to progress and succeed, realizing their true potential. They are conquering every field, be it science, technology, research, defense, politics, space, literature, or arts.

Students from different semesters and faculty members of the college participated in the event. They deliberated on different themes related to the topics.

A nation cannot develop without the development of women in the fields of education and health.

In modern time, most women are educated. Educated women are capable of bringing socio-economic changes in society. The government has introduced some proactive laws in favor of women empowerment. The place of women in society is a critical factor in judging the success of any civilization.

Women today are found in large number in the work force today. The symposium concluded by showing how women can create their own identity in this patriarchal world through their courage and will power.

Press Release on the Webinar "Understanding Mahatma Gandhi in the Contemporary Times

Ek Bharat Shikshit Bharat in Collaboration with Department of History & Department of Political Science, Govt. Degree College Nowshera, Rajouri J& K,organized a webinar on the theme "Understanding Mahatma Gandhi in the Contemporary Times" under the aegis of Azadi Ka Amrit Mahostav in which large number of faculty members and students participated. The event commenced at 11:30 am on 26th February 2022 and the program was initiated with the welcome address by Dr. Yasir Bashir (Lecturer, Department of History). Prof. Surinder Kumar Sharma, Principal of the College made opening remarks about Mahatma Gandhi's ideas about peace, brotherhood, and communal harmony.

After this, the guest speaker Dr. Parvez Alam, Assistant Professor, Department of Political Science, Aligarh Muslim University spoke on the said theme. He said that in contemporary times we have forgotten Gandhi's ideas. Gandhi, a philosopher, an economist, an environmentalist and a politician is more relevant in contemporary times, as it was before. Gandhi's idea on truth, non-violence, tolerance, and peace is holistic and interconnected concepts to establish society based on love and harmony. Rising unemployment, inflation, and violence has become a 'new normal' in our degenerated societies. He further said that, we are living post-truth age in which fake news; rumor mongering is creating division and unrest in our society. Gandhiji's ideas in implementation by the governments can solve most of the contemporary problems.

The program concluded with the vote of thanks delivered by Dr. Hilal Ahmed Mir, Lecturer. Department of Political Science.
