GDC Nowshera organises national level webinar on intellectual property rights

STATE TIMES NEWS

NOWSHERA: The Internal Quality Assurance Cell (IQAC), Govt. Degree College Nowshera conducted National Level Webinar entitled "Intellectual Property Rights". The webinar was presided over by Dr.Surinder Kumar, Principal, GDC, Nowshera and Coordinated by Prof. Joginder Singh, Coordinator IQAC and Head, department of Physics, GDC, Nowshera.

Dr. Surinder Kumar, Principal of GDC Nowshera introduced the theme and purpose of this event and formally welcomed Resource Persons, Prof. Haresh Chandra Pande and Prof. Tariq Hussain Sheikh and appreciated the organizing secretary Prof. Joginder Singhand all the faculty members for conducting this event.

Intellectual property rights are legal rights that provide creators protection for original works, inventions, or the appearance of products, artistic works, scientific developments, and so on.Intellectual property rights (IPRs) play a key role in every sector and have become the basis for crucial investment decisions. They are exclusive rights and therefore there is always a challenge to strike a balance between the interests of innovators and the interests of the society-at-large. Another important factor is having an adequate legal framework to protect the interests of innovators and inspire confidence that their intellectual property will be protected, in turn triggering further innovation.

Prof. Haresh Chandra Pande, Dean, Research & Development Cell, Uyenge Institute of Engineering & Technology, Dhenkanal, Odisha explained in his elaborated presentation, the purpose of Intellectual property Rights in the context of Contemporary innovation in a new type of economy. He highlighted the number of specific issue and challenges to contemporary IPR systems and IP regimes will then be probed more in depth, such as the universities and IP scientific problem, the tradeoff between investors and researchers costs, and the impact of weak (e.g. open) IP regimes on dynamic competition and industry evolution, the impact of patent information (the disclosure effect), and the use of IPRs in business strategies.

Prof. Tariq Hussain Sheikh, Faculty, department of Computer Science, GDC Pesaw, he elaborated in his presentation the scope of 3D printing. Skull models and emphasized the practical possibilities for metal 3D printing of human skull and its potential usage in the field of biomedical surgeries. He also highlighted that 3D printing technology has progressed well, customs made metal 3D printed implants can be manufactured and adapt for skull rehabilitation by considering the potential cost-effective materials.

The programme was concluded with formal vote of thanks proposed by Miss Madiha Bala, Department of English.

नौशहरा डिग्री कॉलेज में मनाया गया अंतरराष्ट्रीय लोकतंत्र दिवस

नौशहरा।

आजादी का अमृत महोत्सव के उपलक्ष्य में 15 सितंबर को कॉलेज की एनएसएस यूनिट के सहयोग से एक भारत शिक्षा भारत क्लब द्वारा शासकीय डिग्री कॉलेज नौशहरा में अंतरराष्ट्रीय लोकतंत्र दिवस मनाया गया। यह दुनिया भर में लोकतंत्र की स्थिति की समीक्षा करने, लोकतांत्रिक आंदोलनों को प्रोत्साहित करने और स्वतंत्रता, शांति और मानवाधिकारों को बढ़ावा देने का मौका है।यह पहली बार 2007 में संयुक्त राष्ट्र द्वारा स्थापित किया गया था और हर साल यह आयोजन एक अलग विषय के आसपास होता है। 2021 में, विषय भविष्य के संकटों का सामना करने में लोकतांत्रिक लचीलापन को मजबूत करना है। एनएसएस के स्वयंसेवकों ने प्रो. इनाम उल हक की अध्यक्षता में इस विशेष दिन को मनाने के लिए एक शैक्षिक कार्यशाला सह संगोष्ठी का आयोजन किया। इस अवसर पर बोलते हुए प्रो. जोगिंदर सिंह समन्वयक आईक्यूएसी ने कहा कि लोकतंत्र पूरी आबादी या राज्य के सभी पात्र सदस्यों द्वारा आम तौर पर निर्वाचित प्रतिनिधियों के माध्यम से सरकार की एक प्रणाली है। यह सरकार का सबसे प्रचलित रूप है, लेकिन चुनौतीपूर्ण भी है क्योंकि कई चर खेल में आते हैं। भारत में लोकतंत्र राजनीतिक समानता के सिद्धांत पर काम करता है। इसके अलावा, इसका अनिवार्य रूप से मतलब है कि सभी नागरिक कानून के समक्ष समान हैं। सबसे उल्लेखनीय, धर्म, जाति, पंथ, नस्ल, संप्रदाय आदि के आधार पर कोई भेदभाव नहीं है। इसलिए, प्रत्येक भारतीय नागरिक को समान राजनीतिक अधिकार प्राप्त हैं। संकाय सदस्यों और एनएसएस स्वयंसेवकों ने भी अपने विचार प्रस्तुत किए और अंत में प्रो. हर्षल शर्मा ने धन्यवाद प्रस्ताव प्रस्तुत किया। पूरे कार्यक्रम का आयोजन कॉलेज के योग्य प्राचार्य डॉ. सुरिंदर कुमार के संरक्षण में किया गया था।

GDC Nowshera in collaboration with District Police Rajouri organized a Seminar on the topic "GET HIGH ON LIFE, NOT ON DRUGS".

GDC Nowshera in collaboration with District Police Rajouri today organized a Seminar based on the theme **"Get High On Life, Not On Drugs"**. The main objective of organizing this event was to make the youngsters aware about the harmful effects of drugs. The students of the schools, colleges and universities across the country are becoming addictive to drug substances at an alarming rate which is threatening not only to their own future and lives but also affecting their families, societies and ultimately the Nation.

The programme started with the welcome address by Dr. Surinder Kumar, Principal of the College. He formally welcomed the Chief Guest, Ms. Sheema Nabi Qusha, SSP Rajouri and other Guests, Mr. Sukhdev Singh Samyal, ADC Nowshera; Mr. Amit Verma, ASP Nowshera, Dr. Chander Prakash, Resource Perso, Mr. Zakir Mirza, SDPO Nowshera, Mr. Pankaj Sharma, SHO Nowshera and Principals of the Higher Secondary Schools of Nowshera. In his welcome speech, Principal of the College stressed upon the various emotional, social and physical factors that lead to drug addiction and the side effects caused by the drugs on our physical and mental health. He also motivated the students to stay away from these substances. He said that the main aim of organizing such events is to spread awareness among the students and prevent the young generation from indulging in drug addiction. He further highlighted the role of these youngsters in spreading the message of **"Say no to drugs and Achieve success in life"**.

The proceedings of the programme were conducted by Mr. Rakesh Choudhary, Lect. in GGHSS Nowshera. A large number of students and staff of the college and Higher Secondary Schools attended the programme in the smart class room of the college, keeping in view the COVID appropriate behaviour. Six students namely, Simranmeet Kour (NNP Hr. Secondary School); Suhani Gupta (GHSS Nowshera); Akash Kumar (TMP Hr. Sec.); Adil Manhas (GDC Nowshera); Chandandeep Choudhary (BHSS Nowshera) and Karanjeet Kour (Christ High

School) expressed their views about the various types of drugs, their harmful effects and illicit drug trafficking.

The Resource Person of the programme, Dr. Chander Prakash, delivered an elaborated lecture on the theme of the seminar. He talked in detail about the various terms related to drugs such as drug abuse, drug addiction and drug dependence. He also delibrated upon the various types of drugs such as depressents, hallucinogens and stimulants and the harmful effects posed by the consumption of these drugs. He also stressed upon the need to increase the will power to stay away from these substances and get out of the vicious cycle of drug addiction.

The program was carried forward with the address of Mr. Sukhdev Singh Samyal, ADC Nowshera who stressed upon the need to protect the youth of our country from the menace of drug abuse. He also urged the students to spread the message to their family, friends and the society at large.

Mr. Amit Verma, ASP Nowshera also shared his views regarding the theme. He revealed the statistical data projecting 10% urban and 11% rural students of the country as potent drug addicts. He motivated the students to stay away from drugs by narrating the story of a lead Engineer whose career as well as life was ruined because of drug addiction.

At last, Ms. Sheema Nabi Qusba, SSP Rajour, the Chief Guest for the Programme, addressed the audience. She talked in detail about the legal and illegal drugs and the various types of pressures that lead to drug addiction. She highlighted the role of teachers, friends, family, society, Police Department and Rehabilitation centres in assisting the victims to come out of the vicious cycle. She encouraged the students to stay away from the drugs and get involved in some constructive activities like Games & Sports, Yoga and Meditation.

At the end, felicitation of meritorious students was done by presenting momentos as a token of encouragement. The programme ended with a formal vote of thanks presented by Mr. Zakir Mirza, SDPO Nowshera.
