Department of Environmental Sciences of Govt. Degree College Nowshera organized a slogan writing competition on the occasion of “World Water Day”

The Department of Environmental Sciences in collaboration with department of Punjabi Govt. Degree College Nowshera organized a Slogan writing competition on the occasion of “World Water Day” on 22nd of March, 2022 under the theme “Groundwater: Making the Invisible Visible” to commemorate Azadi Ka Amrut Mahotsav. The main aim of the event was to aware the students about the importance of groundwater and how to conserve it for us and for future generations. A large number of students from the college actively participated and present number of meaningful ideas and slogans on the theme of the day that make the day very informative and learnable and also share knowledge about water conservation and how we conserve the water resource, specially groundwater because once the groundwater get polluted it cannot be detoxified easily. The event was carried out under the overall supervision of Dr. Surinder kumar, Principal of the college and while addressing he said, Groundwater is invisible, but its impact is visible everywhere. Almost all of the liquid freshwater in the world is groundwater, As climate change gets worse, groundwater will become more and more critical. We need to work together to sustainably manage this precious resource. Groundwater may be out of sight, but it must not be out of mind. The whole event was organised under the leadership of Miss Shivali Sharma and Mr. Neeraj Sharma (Lecturer, Environmental Sciences and Prof. Gurjeet Singh (Dept. of Punjabi).
