FROM THE PRINCIPAL'S DESK

It gives me immense pleasure to welcome the budding and enthusiastic students to this institution of higher learning which is emerging as the college with potential for improvement and excellence. This college made a modest beginning just a decade back in 2008 from a two room rented building of Govt. Middle School, Nowshera. Now the college operates from a beautiful and spacious building located at Darshan Nagar, Nowshera.

There is no dearth of commitment and enthusiasm among the teaching and non-teaching faculty of this college to fulfil the academic calendar in the best possible manner. Right from its inception, the mission of the college has not only been empowering youth with holistic education but also been striving hard to impart extra competence to transform them to be self-reliant and self-sufficient for the bright future of modern India.

Last but not least, I, in the capacity of being the head of this academic institution, want to issue few words of advice and cautions to young students. It is a fact that the college education can be a big turnaround in your life provided you work hard with clarity of purpose in mind and commitment to make judicious use of your valuable time. The three years of college education can lay a firm foundation on which you can write your stories of success and honour. So the students are advised to make an optimum use of time in this college and its resources including the library. They must prioritize their studies and also spare time to take part in extra-curricular activities. They must adhere to the basic mantras of success such as hard work, discipline, punctuality and obedience and must refrain themselves from indulging in any type of anti-institutional or anti-social activity. I assure them all a very encouraging and rich academic environment in this college.

I am very confident that with the diligence, hard work and rigorous efforts put in by our learned and efficient faculty, the college will emerge as one of the best in the state and will impart students the power of knowledge, entrepreneurship skills, character, confidence, competence, compassion and sportsmanship. I wish that students would

utilise the academic strength of the college in right direction which will go a long way to shape the all-round development and personality during their stay in this institution.

With best Wishes and Blessings for the upcoming Session

COLLEGE PROFILE

“The value of a college education is not the learning of many facts but the training of the mind to think.” Albert Einstein

Govt. Degree College, Nowshera is located in Nowshera town. Nowshera is a sub-district falling under the jurisdiction of district Rajouri. The main town is located on the bank of the Manawar River just 2 miles inwards from the Taayin Bridge on Jammu-Poonch national highway. Nowshera has a vast expanse spreading over 1352 sq. kms. It is a nature bound beautiful area in lower Himalyan ranges and having plenty of small forests especially among the Line of Control with Pak-occupied Kashmir. The Mangla Mata Temple, Mangla Devi Fort, Fort of Darhal – QilaDarhal and the Chhati-Badshahi Central Gurudwara of Nonial are the main tourist attractions of this town. Besides, this town has a very high literacy rate of 79 per cent that is much higher than the national average of 68 p.c. The male literacy is 82 p.c. while female literacy nearly parallels it at 76 p.c.

Establishment of the College

Government Degree College Nowshera is one among the other four newly established degree colleges located in this sub-district having its own well equipped infrastructural facilities. Opening of a government degree college in Nowshera was a long pending demand of the people of Nowshera since they have a deep inclination towards imparting education to their children and wards.

It was in 2008 when Govt. Degree College, Nowshera was established under Prime Minister Reconstruction Programme and started functioning from the premises of the Govt. Middle School, Nowshera. So far Eight batches of students have passed out with their graduation degrees from this college. In fact, the college is playing an important role to promote higher education among the students of Nowshera, Qila Darhal, Sunderbani and parts of Kalakote Tehsils especially the girl students. It is pertinent to mention here that the enrolment of the girl students surpasses the number of male-students in all semesters.

In the session 2016-17, the college shifted to its new campus built at Darshan Nagar. With this, Science stream also started for the students of this area. From

the session 2018-19, Geography and Sanskrit subjects have been introduced. The student enrolment has now been raised to 826 that is further expected to rise in the upcoming session.
